

ROMBOHÖJDEN, 22 km

Difficulty level: **Green**

Start and Finish: Church in Hjulsjö

Altitude: 130 m

An easier trail but with a steep climb towards **Rombohöjden**. Follow the road towards **Hällefors**. At the crossroads to **Bredsjö**, turn left on to the gravel road. On the tarmac, turn left and then right onto the next gravel road. After approximately 1 km, turn left out onto the tarmac again. Turn right onto the gravel road and follow this for about 5 km. You will pass a shelter with a good barbecue area by the road.

Turn right towards **Nora**. After about 1 km turn right onto the next gravel road towards **Rombohöjden**. Don't miss the view in the village of **Rombohöjden**. Turn left in the village, an easy downhill slope about 2 km long.

Turn left after about 2 km. Turn left towards **Hjulsjö**. Follow the tarmac and turn right towards **Mårtensbo**. At **Älvtorp** turn left onto the old railway line and then right towards **Hjulsjö** where you will pass the **Gårdsbutiken** (farm shop).
