

# HJULSJÖ, 5 km

Difficulty level: **Black** Start and finish: Church in Hjulsjö

Altitude:

Ride across the football field. You will pass the Arena (don't forget to try it) Turn right on the gravel road. Follow it for about 100m.

Turn right onto the smaller path. A technical part will follow. Turn left onto a steep climb. You are in the village again. With the church, follow the gravel road on your left ca. 300m. Turn right then left onto the motiontrack. After 700m turn right onto a new technical part. After this turn left and cross the gravel road onto the motiontrack again. After a short bit turn left, then right up to the shootingrange. Turn right onto the gravelroad and follow it for about 100m.

Turn left onto a small path. A fun and beautiful peace of nature follows. Follow the signs until you are on the gravel road again. Turn left down the hill and the left onto the motiontrack again. Follow this until you are in the village again.
